

Progress in Catalytic C–H Activation over the Past Twenty Years

A Dedication to Professor Shinji Murai

October 29-30, 2014

Todaiji Temple Cultural Center, Nara, Japan

■ Speakers

John F. Hartwig

UC Berkeley, USA

David Milstein

The Weizmann Institute of Science, Israel

Roy A. Periana

The Scripps Research Institute, USA

Sukbok Chang

KAIST, Korea

Pierre H. Dixneuf

Université de Rennes 1, France

Kenichiro Itami

Nagoya University, Japan

Masahiro Miura

Osaka University, Japan

Yoshiaki Nakao

Kyoto University, Japan

Zhang-Jie Shi

Peking University, China

■ Honorable Guest

Shinji Murai

NAIST, Japan

■ Organizing Committee

Advisor: Kohei Tamao RIKEN, Japan

Chair: Hideo Nagashima Kyushu University, Japan

Naoto Chatani Osaka University, Japan

Yoshiya Fukumoto Osaka University, Japan

Masato Ito Kyushu University, Japan

Fumitoshi Kakiuchi Keio University, Japan

Nobuaki Kambe Osaka University, Japan

Motomu Kanai The University of Tokyo, Japan

Takuya Kochi Keio University, Japan

Tsumoru Morimoto NAIST, Japan

Masaharu Nakamura Kyoto University, Japan

Kouichi Ohe Kyoto University, Japan

Mamoru Tobisu Osaka University, Japan

■ Contact

Hideo Nagashima, Masato Ito
